

DRAFT (8/5/05)

ADOPTION READINESS AND PREPARATION

Use of form: A child's successful adoption involves a planning process that begins early. Consultation and staffings are critical for each child's success. The following are guidelines to lead discussion among professional child welfare staff in the planning process. This is NOT all-inclusive and is designed as a tool. The topics below are meant to guide discussion that should be based upon the individual child's developmental capabilities.

NOTE: Review the Intake Policy of the Department of Health and Family Services, Adoption and Consultation Section and legislation such as adherence to the mandatory placement requirements identified in the Indian Child Welfare Act (ICWA) and the Multi-Ethnic Placement Act. Use of this tool may vary between the Bureau of Programs and Policies (BPP) and the Bureau of Milwaukee Child Welfare (BMCW) practice.
